Joint Stipulation on Damages; DTaP
Vaccine; Hypersensitivity Reactions

Robert J. Krakow, Law Office of Robert J. Krakow, P.C., New York, NY, for petitioner.
Chrysovalantis P. Kefalas, United States Department of Justice, Washington, DC, for
respondent.

DECISION ON JOINT STIPULATION¹

On March 1, 2002, Beth Rosenberg (“petitioner”) filed a petition on behalf of her minor child, J.R., pursuant to the National Vaccine Injury Compensation Program.² 42 U.S.C. §§ 300aa-1 to -34 (2006). Petitioner alleged that, as a result of receiving two diphtheria-tetanus-acellular pertussis (DTaP) vaccines on March 8, 1999, and March 20, 2000, J.R. developed or experienced a significant aggravation of hypersensitivity reactions. Amended Petition at ¶ 22-

¹ Because this decision contains a reasoned explanation for the undersigned’s action in this case, the undersigned intends to post this ruling on the website of the United States Court of Federal Claims, in accordance with the E-Government Act of 2002, Pub. L. No. 107-347, § 205, 116 Stat. 2899, 2913 (codified as amended at 44 U.S.C. § 3501 note (2006)). As provided by Vaccine Rule 18(b), each party has 14 days within which to request redaction “of any information furnished by that party: (1) that is a trade secret or commercial or financial in substance and is privileged or confidential; or (2) that includes medical files or similar files, the disclosure of which would constitute a clearly unwarranted invasion of privacy.” Vaccine Rule 18(b).

² The National Vaccine Injury Compensation Program is set forth in Part 2 of the National Childhood Vaccine Injury Act of 1986, Pub. L. No. 99-660, 100 Stat. 3755, codified as amended, 42 U.S.C. §§ 300aa-1 to -34 (2006) (Vaccine Act or the Act). All citations in this decision to individual sections of the Vaccine Act are to 42 U.S.C.A. § 300aa.

24. Further, petitioner alleged that J.R. experienced residual effects of the injury for more than six months. Id. at ¶ 25.

On October 2, 2015, the parties filed a stipulation in which they state that a decision should be entered awarding compensation. Respondent denies that the DTaP vaccines caused and/or significantly aggravated J.R.'s alleged hypersensitivity reactions and/or any other injury. Stipulation ¶ 6. Nevertheless, the parties agree to the joint stipulation, attached hereto as Appendix A. The undersigned finds the stipulation reasonable and adopts it as the decision of the Court in awarding damages, on the terms set forth therein.

The parties stipulate that petitioner shall receive the following compensation:

A lump sum of \$12,000.00 in the form of a check payable to petitioner, on behalf of J.R. This amount represents compensation for all damages that would be available under 42 U.S.C. § 300aa-15(a).

Id. ¶ 8.

The undersigned approves the requested amounts for petitioner's compensation. Accordingly, the clerk of the court **SHALL ENTER JUDGMENT** in accordance with the terms of the parties' stipulation.³

IT IS SO ORDERED.

³ Pursuant to Vaccine Rule 11(a), entry of judgment is expedited by the parties' joint filing of notice renouncing the right to seek review.

STIPULATION

The parties hereby stipulate to the following matters:

1. On behalf of her minor child, J.R., petitioner filed a petition for vaccine compensation under the National Vaccine Injury Compensation Program, 42 U.S.C. § 300aa-10 to 34 (the "Vaccine Program"). The petition seeks compensation for injuries allegedly related to J.R.'s receipt of two diphtheria-tetanus-acellular pertussis (DTaP) vaccines [hereinafter collectively referred to as the "vaccines"], which vaccines are contained in the Vaccine Injury Table (the "Table"), 42 C.F.R. § 100.3(a).
2. J.R. received the DTaP vaccines on or about March 8, 1999, and March 20, 2000.
3. The vaccines were administered within the United States.
4. Petitioner alleges that the vaccines, either singly or in combination, either caused J.R.'s hypersensitivity reactions, and/or significantly aggravated the same, and that he experienced the residual effects of this injury for more than six months.
5. Petitioners represent that there has been no prior award or settlement of a civil action for damages on behalf of J.R. as a result of his alleged condition.

6. Respondent denies that the vaccines, either singly or in combination, caused and/or significantly aggravated J.R.'s alleged hypersensitivity reactions and/or any other injury.

7. Maintaining their above-stated positions, the parties nevertheless now agree that the issues between them shall be settled and that a decision should be entered awarding the compensation described in paragraph 8 of this Stipulation.

8. As soon as practicable after an entry of judgment reflecting a decision consistent with the terms of this Stipulation, and after petitioner has filed an election to receive compensation pursuant to 42 U.S.C. § 300aa-21(a)(1), the Secretary of Health and Human Services will issue the following vaccine compensation payment:

A lump sum of **\$12,000.00** in the form of a check payable to petitioner, on behalf of J.R. This amount represents all compensation for damages that would be available under 42 U.S.C. § 300aa-15(a).

9. As soon as practicable after the entry of judgment on entitlement in this case, and after petitioner has filed both a proper and timely election to receive compensation pursuant to 42 U.S.C. § 300aa-21(a)(1), and an application, the parties will submit to further proceedings before the special master to award reasonable attorneys' fees and costs incurred in proceeding upon this petition.

10. Petitioner and her attorney represent that they have identified to respondent all known sources of payment for items or services for which the Program is not primarily liable under 42 U.S.C. § 300aa-15(g), including State compensation programs, insurance policies, Federal or State health benefits programs (other than Title XIX of the Social Security Act (42 U.S.C. § 1396 et seq.)), or entities that provide health services on a pre-paid basis.

11. Payment made pursuant to paragraph 8 and any amounts awarded pursuant to paragraph 9 of this Stipulation will be made in accordance with 42 U.S.C. § 300aa-15(i), subject to the availability of sufficient statutory funds.

12. Petitioner represents that she presently is, or within 90 days of the date of judgment will become, duly authorized to serve as the representative of J.R.'s estate under the laws of the State of New York.

13. The parties and their attorneys further agree and stipulate that, except for any award for attorneys' fees and litigation costs, the money provided pursuant to this Stipulation will be used solely for the benefit of J.R. as contemplated by a strict construction of 42 U.S.C. § 300aa-15(a) and (d), and subject to the conditions of 42 U.S.C. § 300aa-15(g) and (h).

14. In return for the payments described in paragraphs 8 and 9, petitioner, in her individual capacity and as legal representative of J.R., on behalf of herself, J.R., and J.R.'s heirs, executors, administrators, successors and/or assigns, does forever irrevocably and unconditionally release, acquit and discharge the United States and the Secretary of Health and Human Services from any and all actions or causes of action (including agreements, judgments, claims, damages, loss of services, expenses and all demands of whatever kind or nature) that have been brought, could have been brought, or could be timely brought in the Court of Federal Claims, under the National Vaccine Injury Compensation Program, 42 U.S.C. § 300aa-10 et seq., on account of, or in any way growing out of, any and all known or unknown, suspected or unsuspected personal injuries to or death of J.R. resulting from, or alleged to have resulted from, the vaccines administered on or about March 8, 1999, and March 20, 2000, as alleged by petitioner in a petition for vaccine compensation filed on or about March 2, 2002, as amended on November 13, 2014, in the United States Court of Federal Claims as petition No. 02-160V.

15. If J.R. should die prior to entry of the judgment, this agreement shall be voidable upon proper notice to the Court on behalf of either or both of the parties.

16. If the special master fails to issue a decision in complete conformity with the terms of this Stipulation or if the Court of Federal Claims fails to enter judgment in conformity with a decision that is in complete conformity with the terms of this Stipulation, then the parties' settlement and this Stipulation shall be voidable at the sole discretion of either party.

17. This Stipulation expresses a full and complete negotiated settlement of liability and damages claimed under the National Childhood Vaccine Injury Act of 1986, as amended, except as otherwise noted in paragraph 9 above. There is absolutely no agreement on the part of the parties hereto to make any payment or to do any act or thing other than is herein expressly stated and clearly agreed to. The parties further agree and understand that the award described in this Stipulation may reflect a compromise of the parties' respective positions as to liability and/or amount of damages, and further, that a change in the nature of the injury or condition or in the items of compensation sought, is not grounds to modify or revise this agreement.

18. This Stipulation shall not be construed as an admission by the United States or the Secretary of Health and Human Services that the vaccines, either singly or in combination, caused and/or significantly aggravated J.R.'s alleged hypersensitivity reaction(s) and/or any other injury.

19. All rights and obligations of petitioner hereunder shall apply equally to petitioner's heirs, executors, administrators, successors, and/or assigns, as legal representative(s) of J.R.
