DECISION AWARDING ATTORNEYS' FEES AND COSTS[1]

On January 9, 2014, the parties filed a stipulation of fact in which they agreed on an appropriate amount for attorneys' fees and costs in this case.

On December 23, 2013, petitioners filed an Application for Attorneys' Fees and Costs ("Application") and supporting documentation. In accordance with the General Order #9

[1] Because this unpublished decision contains a reasoned explanation for the special master's action in this case, the special master intends to post this unpublished decision on the United States Court of Federal Claims's website, in accordance with the E-Government Act of 2002, Pub. L. No. 107-347, 116 Stat. 2899, 2913 (Dec. 17, 2002). Vaccine Rule 18(b) states that all decisions of the special masters will be made available to the public unless they contain trade secrets or commercial or financial information that is privileged and confidential, or medical or similar information whose disclosure would constitute a clearly unwarranted invasion of privacy. When such a decision is filed, petitioner has 14 days to identify and move to redact such information prior to the document's disclosure. If the special master, upon review, agrees that the identified material fits within the banned categories listed above, the special master shall redact such material from public access.

requirement, petitioners filed a statement on December 23, 2013, outlining the $24,577.41 they incurred in out-of-pocket expenses. During informal discussions, respondent raised objections to certain items in petitioners' application. Based on these objections, petitioners amend their application for attorneys' fees and costs to seek reimbursement for $110,422.59 in attorneys' fees and costs and $24,577.41 in petitioners' costs. Respondent does not object to these amounts. The undersigned finds these amounts to be reasonable. Accordingly, the court awards:

a. **$110,422.59**, representing reimbursement for attorneys' fees and costs. The award shall be in the form of a check in the amount of **$110,422.59** made payable jointly to petitioners and Maglio, Christopher & Toale, P.A.; and

b. **$24,577.41**, representing petitioners' out-of-pocket expenses. The award shall be in the form of a check in the amount of **$24,577.41** made payable to petitioners.

In the absence of a motion for review filed pursuant to RCFC Appendix B, the clerk of the court is directed to enter judgment herewith.[2]

IT IS SO ORDERED.
