UNPUBLISHED DECISION¹

On January 30, 2014, respondent filed a stipulation of fact concerning final attorney's fees and costs in the above-captioned matter. Previously, on December 22, 2013, petitioner filed an application for \$20,507.17 in attorneys' fees and costs. In informal discussions, respondent raised objections to certain items in petitioner's application. Based on subsequent discussions, petitioner amended her application to request \$18,643.98, an amount to which respondent does not object. The Court awards this amount.

On October 3, 2011, Vandana Bhandari filed a petition for compensation alleging that the trivalent influenza ("flu") vaccine, which she received on October 25, 2010, caused her to sustain the first symptom or manifestation of the onset of acute disseminated encephalomyelitis ("ADEM"). compensation based upon the parties' stipulation. Decision, filed June 26, 2013. Because petitioner received compensation, she is entitled to an award of attorneys' fees and costs. 42 U.S.C. § 300aa-15(e).

Petitioner seeks a total of **\$18,275.00** in attorneys' fees and costs for her counsel. Additionally, in compliance with General Order No. 9, petitioner states that she incurred **\$368.98** in out-of-pocket litigation expenses while pursuing this claim. Respondent has no objection to the amount requested for attorneys' fees and costs.

After reviewing the request, the Court awards the following:

A. A lump sum of \$18,275.00 in the form of a check made payable to petitioner and petitioner's attorney, Clifford J. Shoemaker, for attorneys' fees and other litigation costs available under 42 U.S.C. § 300aa-15(e).

B. A lump sum payment of \$368.98 in the form of a check payable to petitioner, Vandana Bhandari.

The Court thanks the parties for their cooperative efforts in resolving this matter. The Clerk shall enter judgment accordingly.²

Any questions may be directed to my law clerk, Mary Holmes, at (202) 357-6353.

IT IS SO ORDERED.
