Christina Ciampolillo, Conway, Homer & Chin-Caplan, PC, Boston, MA, for petitioner.
Darryl Wishard, United States Department of Justice, Washington, DC, for respondent.

DECISION¹

On October 3, 2012, Graham Roberts (“petitioner”) filed a petition pursuant to the National Vaccine Injury Compensation Program.² 42 U.S.C. §§ 300aa-1 to -34 (2006). The petition alleged that petitioner suffered a neurological demyelinating injury as a result of an influenza (“flu”) vaccination he received on October 13, 2009. Petition at 1-2. Petitioner later filed an amended petition in which he alleged that his vaccine-related injury was, in fact, transverse myelitis (TM). Amended Petition, filed April 8, 2013, at 1. On April 7, 2014, an Entitlement Decision was entered based on the parties’ stipulation.

¹ Because this decision contains a reasoned explanation for the undersigned’s action in this case, the undersigned intends to post this ruling on the website of the United States Court of Federal Claims, in accordance with the E-Government Act of 2002, Pub. L. No. 107-347, § 205, 116 Stat. 2899, 2913 (codified as amended at 44 U.S.C. § 3501 note (2006)). As provided by Vaccine Rule 18(b), each party has 14 days within which to request redaction “of any information furnished by that party: (1) that is a trade secret or commercial or financial in substance and is privileged or confidential; or (2) that includes medical files or similar files, the disclosure of which would constitute a clearly unwarranted invasion of privacy.” Vaccine Rule 18(b).

² The National Vaccine Injury Compensation Program is set forth in Part 2 of the National Childhood Vaccine Injury Act of 1986, Pub. L. No. 99-660, 100 Stat. 3755, codified as amended, 42 U.S.C. §§ 300aa-1 to -34 (2006) (Vaccine Act or the Act). All citations in this decision to individual sections of the Vaccine Act are to 42 U.S.C.A. § 300aa.

On August 22, 2014, the parties filed a Stipulation of Facts Regarding Final Attorneys' Fees and Costs. According to the stipulation, the parties stipulate to an award to petitioner of attorneys' fees and costs in the amount of \$26,505.39. In accordance with General Order #9, petitioner's counsel represents that petitioner has personally incurred costs in the amount of \$350.00.

The Vaccine Act permits an award of reasonable attorneys' fees and costs. 42 U.S.C. § 300 aa-15(e). Based on the reasonableness of the parties' stipulation, the undersigned GRANTS the request for approval and payment of attorneys' fees and costs.

Accordingly, an award should be made as follows:

in the form of a check jointly payable to petitioner and to Ronald Homer, of the law firm of Conway, Homer & Chin-Caplan, P.C., in the amount of \$26,505.39; and

in the form of a check payable solely to petitioner in the amount of \$350.00.

In the absence of a motion for review filed pursuant to RCFC Appendix B, the clerk of the court SHALL ENTER JUDGMENT in accordance with the terms of the parties' stipulation.

IT IS SO ORDERED.
