<sup>1</sup> Because this decision contains a reasoned explanation for the undersigned’s action in this case, the undersigned intends to post this ruling on the website of the United States Court of Federal Claims, in accordance with the E-Government Act of 2002, Pub. L. No. 107-347, § 205, 116 Stat. 2899, 2913 (codified as amended at 44 U.S.C. § 3501 note (2006)). As provided by Vaccine Rule 18(b), each party has 14 days within which to request redaction “of any information furnished by that party: (1) that is a trade secret or commercial or financial in substance and is privileged or confidential; or (2) that includes medical files or similar files, the disclosure of which would constitute a clearly unwarranted invasion of privacy.” Vaccine Rule 18(b).

<sup>2</sup> The National Vaccine Injury Compensation Program is set forth in Part 2 of the National Childhood Vaccine Injury Act of 1986, Pub. L. No. 99-660, 100 Stat. 3755, codified as amended, 42 U.S.C. §§ 300aa-1 to -34 (2006) (Vaccine Act or the Act). All citations in this decision to individual sections of the Vaccine Act are to 42 U.S.C.A. § 300aa.

Respondent has conceded that petitioners have satisfied all legal prerequisites for compensation under the Vaccine Act and recommends that compensation be awarded to petitioners.

Informed by respondent's concession that an award of damages is appropriate, the undersigned finds that petitioners are entitled to compensation under the Vaccine Act.

On February 11, 2014, respondent filed a Proffer on Award of Compensation (Proffer). In the Proffer, respondent represented that petitioners agree with the proffered award. Based on the record as a whole, the undersigned finds that petitioners are entitled to an award as stated in the Proffer.

Pursuant to the terms stated in the attached proffer, the undersigned awards petitioners:

**A lump sum of \$250,000.00, in the form of a check payable to petitioners.** This amount represents compensation for all damages that would be available under 42 U.S.C. §300aa-15(a).
