Sheila A. Bjorklund, Lommen Abdo Law Firm, Minneapolis, MN, for Petitioner;  
Lara A. Englund, U.S. Dep’t of Justice, Washington, D.C., for Respondent.

### UNPUBLISHED DECISION<sup>1</sup>

On May 22, 2014, respondent filed a joint stipulation concerning the petition for compensation filed by Douglas Swift. In his petition, Mr. Swift alleged that the influenza (“flu”) vaccine, which is contained in the Vaccine Injury Table (the “Table”), 42 C.F.R. §100.3(a), and which he received on September 22, 2012, caused him to suffer Guillain-Barré Syndrome (“GBS”). Petitioner further alleges that he experienced residual effects of this injury for more than six months. Petitioner represents that there has been no prior award or settlement of a civil action for damages on his behalf as a result of his condition.

Respondent denies that petitioner's alleged GBS and residual effects were caused-in-fact by the flu vaccine. Respondent further denies that the flu vaccine caused petitioner any other injury or his current condition.

---

<sup>1</sup> The E-Government Act of 2002, Pub. L. No. 107-347, 116 Stat. 2899, 2913 (Dec. 17, 2002), requires that the Court post this decision on its website. Pursuant to Vaccine Rule 18(b), the parties have 14 days to file a motion proposing redaction of medical information or other information described in 42 U.S.C. § 300aa-12(d)(4). Any redactions ordered by the special master will appear in the document posted on the website.

Nevertheless, the parties agree to the joint stipulation, attached hereto as Appendix A.

Respondent also filed a joint stipulation of fact concerning final attorneys' fees and costs on May 22, 2014. Prior to filing this stipulation, Mr. Swift informally submitted a draft application for attorneys' fees and costs to respondent for review. Upon review of petitioner's application, respondent raised objections to certain items. Based on subsequent discussions, petitioner amended his application to request \$16,000.00, an amount to which respondent does not object.<sup>2</sup> Additionally, in compliance with General Order No. 9, Mr. Swift states that he incurred no out-of-pocket litigation expenses while pursuing this claim.

The undersigned finds said stipulations reasonable and adopts it as the decision of the Court in awarding damages and attorneys' fees and costs, on the terms set forth therein.

Compensation awarded in the stipulations includes:

- A. A lump sum of \$53,812.78 in the form of a check payable to petitioner, Douglas Swift. This amount represents compensation for all damages that would be available under 42 U. S.C. § 300aa- 15(a).**
- B. A lump sum of \$16,000.00 in the form of a check payable jointly to petitioner and petitioner's attorney, Sheila A. Bjorklund of the Lommen Abdo Law Firm, for attorneys' fees and costs available under 42 U.S.C. §300aa-15(e).**

In the absence of a motion for review filed pursuant to RCFC, Appendix B, the clerk is directed to enter judgment in case 13-763V according to this decision and the attached stipulation.<sup>3</sup>

Any questions may be directed to my law clerk, Mary Holmes, at (202) 357-6353.

---

<sup>2</sup> The undersigned ordered that petitioner file his draft application for fees and costs for review. See order, filed May 28, 2014. On June 5, 2014, petitioner submitted his draft application with comments objecting to the undersigned's order.

<sup>3</sup> Pursuant to Vaccine Rule 11(a), the parties can expedite entry of judgment by each party filing a notice renouncing the right to seek review by a United States Court of Federal Claims judge.

**IT IS SO ORDERED.**

STIPULATION

The parties hereby stipulate to the following matters:

1. Petitioner Douglas Swift (“petitioner”) filed a petition for vaccine compensation under the National Vaccine Injury Compensation Program, 42 U.S.C. § 300aa-10 to 34 (the “Vaccine Program”). The petition seeks compensation for injuries allegedly related to petitioner’s receipt of the influenza vaccine (“flu”), which vaccine is contained in the Vaccine Injury Table (the “Table”), 42 C.F.R. § 100.3 (a).
2. Petitioner received a flu vaccine on or about September 22, 2012.
3. The vaccine was administered within the United States.
4. Petitioner alleges that the flu vaccine caused him to develop Guillain-Barre Syndrome (“GBS”) and that he experienced residual effects of this injury for more than six months.
5. Petitioner represents that there has been no prior award or settlement of a civil action for damages as a result of his condition.
6. Respondent denies that the flu vaccine is the cause of petitioner’s GBS or any other injury or his current condition.

7. Maintaining their above-stated positions, the parties nevertheless now agree that the issues between them shall be settled and that a decision should be entered awarding the compensation described in paragraph 8 of this Stipulation.

8. As soon as practicable after an entry of judgment reflecting a decision consistent with the terms of this Stipulation, and after petitioner has filed an election to receive compensation pursuant to 42 U.S.C. § 300aa-21(a)(1), the Secretary of Health and Human Services will issue the following vaccine compensation payment:

A lump sum of \$53,812.78 in the form of a check payable to petitioner. This amount represents compensation for all damages that would be available under 42 U.S.C. § 300aa-15(a).

9. As soon as practicable after the entry of judgment on entitlement in this case, and after petitioner has filed both a proper and timely election to receive compensation pursuant to 42 U.S.C. § 300aa-21(a)(1), and an application, the parties will submit to further proceedings before the special master to award reasonable attorneys' fees and costs incurred in proceeding upon this petition.

10. Petitioner and his attorney represent that they have identified to respondent all known sources of payment for items or services for which the Program is not primarily liable under 42 U.S.C. § 300aa-15(g), including State compensation programs, insurance policies, Federal or State health benefits programs (other than Title XIX of the Social Security Act (42 U.S.C. § 1396 et seq.)), or entities that provide health services on a pre-paid basis.

11. Payments made pursuant to paragraph 8 and any amounts awarded pursuant to paragraph 9 of this Stipulation will be made in accordance with 42 U.S.C. § 300aa-15(i), subject to the availability of sufficient statutory funds.

12. The parties and their attorneys further agree and stipulate that, except for any award for attorneys' fees and litigation costs and past unreimbursable expenses, the money provided pursuant to this Stipulation will be used solely for the benefit of petitioner as contemplated by a strict construction of 42 U.S.C. § 300aa-15(a) and (d), and subject to the conditions of 42 U.S.C. § 300aa-15(g) and (h).

13. In return for the payments described in paragraphs 8 and 9, petitioner, in his individual capacity, and on behalf of his heirs, executors, administrators, successors or assigns, does forever irrevocably and unconditionally release, acquit and discharge the United States and the Secretary of Health and Human Services from any and all actions or causes of action (including agreements, judgments, claims, damages, loss of services, expenses and all demands of whatever kind or nature) that have been brought, could have been brought, or could be timely brought in the Court of Federal Claims, under the National Vaccine Injury Compensation Program, 42 U.S.C. § 300aa-10 et seq., on account of, or in any way growing out of, any and all known or unknown, suspected or unsuspected personal injuries to or death of petitioner resulting from, or alleged to have resulted from, the flu vaccination administered on September 22, 2012, as alleged by petitioner in a petition for vaccine compensation filed on or about October 1, 2013, in the United States Court of Federal Claims as petition No. 13-763V.

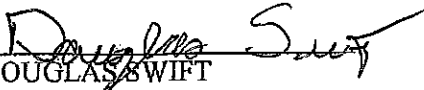

14. If petitioner should die prior to entry of judgment, this agreement shall be voidable upon proper notice to the Court on behalf of either or both of the parties.

15. If the special master fails to issue a decision in complete conformity with the terms of this Stipulation or if the Court of Federal Claims fails to enter judgment in conformity with a decision that is in complete conformity with the terms of this Stipulation, then the parties' settlement and this Stipulation shall be voidable at the sole discretion of either party.

Respectfully submitted,

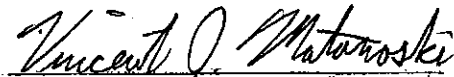

PETITIONER:

  
DOUGLAS SWIFT
