Petitioner further alleged that she experienced the residual effects of these injuries for more than six months. Id.

entered awarding compensation.

Respondent denies the flu vaccine caused petitioner's Guillain-Barre syndrome or any other injury or her current disabilities. Nevertheless, the parties agree to the joint stipulation, attached hereto as Appendix A. The undersigned finds the stipulation reasonable and adopts it as the decision of the Court in awarding damages, on the terms set forth therein.

The parties stipulated that petitioner shall receive the following compensation:

STIPULATION

The parties hereby stipulate to the following matters:

1. Angel Davis, petitioner, filed a petition for vaccine compensation under the National Vaccine Injury Compensation Program, 42 U.S.C. § 300aa-10 to 34 (the "Vaccine Program"). The petition seeks compensation for injuries allegedly related to petitioner's receipt of the influenza ("flu") vaccine, which vaccine is contained in the Vaccine Injury Table (the "Table"), 42 C.F.R. § 100.3(a).
2. Petitioner received a flu vaccine on December 16, 2010.
3. The vaccine was administered within the United States.
4. Petitioner alleges that she suffered Guillain-Barré Syndrome as the result of her flu vaccination and that she suffered the residual effects of this injury for more than six months.
5. Petitioner represents that there has been no prior award or settlement of a civil action for damages on her behalf as a result of her alleged vaccine injury.
6. Respondent denies that the flu vaccine caused petitioner's Guillain-Barré Syndrome or any other injury or her current disabilities.

7. Maintaining their above-stated positions, the parties nevertheless now agree that the issues between them shall be settled and that a decision should be entered awarding the compensation described in paragraph 8 of this Stipulation.

8. As soon as practicable after an entry of judgment reflecting a decision consistent with the terms of this Stipulation, and after petitioner has filed an election to receive compensation pursuant to 42 U.S.C. § 300aa-21(a)(1), the Secretary of Health and Human Services will issue the following vaccine compensation payments:

a. A lump sum of \$67,500.00 in the form of a check payable to petitioner. This amount represents compensation for all damages that would be available under 42 U.S.C. § 300aa-15(a);

b. A lump sum of \$5,000.00, representing compensation for satisfaction of the State of Illinois Medicaid lien, in the form of a check payable jointly to petitioner and

Case No.: 04-091-0000093585
Attn: Kevin Thornton

Petitioner agrees to endorse this payment to the Illinois Department of Healthcare and Family Services, Bureau of Collections; and

c. A lump sum of \$8,667.06 in the form of a check payable jointly to petitioner and petitioner's attorney, Mark Krueger, for attorney's fees and costs available under 42 U.S.C. § 300aa-15(e), and in compliance with General Order #9, no out-of-pocket expenses were incurred by petitioner in proceeding on the petition.

9. Petitioner and her attorney represent that compensation to be provided pursuant to this Stipulation is not for any items or services for which the Program is not primarily liable under 42 U.S.C. § 300aa-15(g), to the extent that payment has been made or can reasonably be expected to be made under any State compensation programs, insurance policies, Federal or State health

benefits programs (other than Title XIX of the Social Security Act (42 U.S.C. § 1396 et seq.)), or by entities that provide health services on a pre-paid basis.

10. Payments made pursuant to paragraph 8 of this Stipulation will be made in accordance with 42 U.S.C. § 300aa-15(i), subject to the availability of sufficient statutory funds.

11. The parties and their attorneys further agree and stipulate that, except for any award for attorney's fees and litigation costs, the money provided pursuant to this Stipulation will be used solely for the benefit of petitioner as contemplated by a strict construction of 42 U.S.C. § 300aa-15(a) and (d), and subject to the conditions of 42 U.S.C. § 300aa-15(g) and (h).

12. In return for the payments described in paragraph 8, petitioner, in her individual capacity, and on behalf of her heirs, executors, administrators, successors or assigns, does forever irrevocably and unconditionally release, acquit and discharge the United States and the Secretary of Health and Human Services from any and all actions or causes of action (including agreements, judgments, claims, damages, loss of services, expenses and all demands of whatever kind or nature) that have been brought, could have been brought, or could be timely brought in the Court of Federal Claims, under the National Vaccine Injury Compensation Program, 42 U.S.C. § 300aa-10 et seq., on account of, or in any way growing out of, any and all known or unknown, suspected or unsuspected personal injuries to or death of petitioner resulting from, or alleged to have resulted from, the flu vaccination administered on December 16, 2010, as alleged by petitioner in a petition for vaccine compensation filed on or about December 11, 2013, in the United States Court of Federal Claims as petition No. 13-974V.

13. If petitioner should die prior to entry of judgment, this agreement shall be voidable upon proper notice to the Court on behalf of either or both of the parties.

14. If the special master fails to issue a decision in complete conformity with the terms of this Stipulation or if the Court of Federal Claims fails to enter judgment in conformity with a decision that is in complete conformity with the terms of this Stipulation, then the parties' settlement and this Stipulation shall be voidable at the sole discretion of either party.

15. This Stipulation expresses a full and complete negotiated settlement of liability and damages claimed under the National Childhood Vaccine Injury Act of 1986, as amended. There is absolutely no agreement on the part of the parties hereto to make any payment or to do any act or thing other than is herein expressly stated and clearly agreed to. The parties further agree and understand that the award described in this Stipulation may reflect a compromise of the parties' respective positions as to liability and/or amount of damages, and further, that a change in the nature of the injury or condition or in the items of compensation sought, is not grounds to modify or revise this agreement.

16. This Stipulation shall not be construed as an admission by the United States or the Secretary of Health and Human Services that the flu vaccine caused petitioner's Guillain-Barré Syndrome or any other injury or her current disabilities.

17. All rights and obligations of petitioner hereunder shall apply equally to petitioner's heirs, executors, administrators, successors, and/or assigns.
