Ryan D. Pyles, Washington, DC, for respondent.

**MILLMAN, Special Master**

### **DECISION AWARDING ATTORNEYS' FEES AND COSTS<sup>1</sup>**

On January 3, 2014, petitioner filed a petition for compensation under the National Childhood Vaccine Injury Act, 42 U.S.C. §§ 300aa-10-34 (2012), alleging that her receipt of influenza vaccine on January 20, 2011 caused her to develop bilateral upper extremity weakness, difficulty breathing, paresthesias of her torso and bilateral upper extremities, fatigue, and related sequelae. On March 8, 2017, the undersigned issued a decision awarding damages pursuant to the parties' stipulation.

Petitioner filed a motion for attorneys' fees and costs on August 7, 2017, requesting

<sup>1</sup> Because this unpublished decision contains a reasoned explanation for the special master's action in this case, the special master intends to post this unpublished decision on the United States Court of Federal Claims' website, in accordance with the E-Government Act of 2002, 44 U.S.C. § 3501 note (2012) (Federal Management and Promotion of Electronic Government Services). Vaccine Rule 18(b) states that all decisions of the special masters will be made available to the public unless they contain trade secrets or commercial or financial information that is privileged and confidential, or medical or similar information whose disclosure would constitute a clearly unwarranted invasion of privacy. When such a decision is filed, petitioner has 14 days to identify and move to redact such information prior to the document's disclosure. If the special master, upon review, agrees that the identified material fits within the banned categories listed above, the special master shall redact such material from public access.

attorneys' fees and costs in the amount of \$56,443.35 and personal costs of \$500.00, for a total request of \$56,943.35. On August 7, 2017, respondent filed a response to petitioners' motion explaining he is satisfied this case meets the statutory requirements for an award of attorneys' fees and costs under 42 U.S.C. § 300aa-15(e)(1)(A)-(B). Resp. at 2. Respondent "respectfully recommends that the [undersigned] exercise her discretion and determine a reasonable award for attorneys' fees and costs." Id. at 3. Petitioner filed a reply to respondent's response on August 14, 2017.

Under the Vaccine Act, a special master or a judge on the U.S. Court of Federal Claims shall award reasonable attorneys' fees and costs for any petition that results in an award of compensation. 42 U.S.C. § 300aa-15(e)(1); Sebelius v. Cloer, 133 S. Ct. 1886, 1893 (2013). The special master has "wide discretion in determining the reasonableness" of attorneys' fees and costs. Perreira v. Sec'y of HHS, 27 Fed. Cl. 29, 34 (1992), aff'd, 33 F.3d 1375 (Fed. Cir. 1994); see also Saxton ex rel. Saxton v. Sec'y of HHS, 3 F.3d 1517, 1519 (Fed. Cir. 1993) ("Vaccine program special masters are also entitled to use their prior experience in reviewing fee applications."). However, as the Federal Circuit noted, these fees and costs were "not expected to be high" due to the "no-fault, non-adversarial system" set forth in the Vaccine Act. Id. at 1520.

Based on her experience and review of the billing records submitted by petitioner, the undersigned finds petitioner's attorneys' fees and costs request reasonable. Therefore, the undersigned **GRANTS** petitioner's Motion for Attorneys' Fees and Costs. **Accordingly, the court awards:**

- a. **\$56,443.35**, representing attorneys' fees and costs. The award shall be in the form of a check made payable jointly to petitioner and Rawls Law Group, P.C. in the amount of **\$56,443.35**; and
- b. **\$500.00**, representing petitioner's costs. The award shall be in the form of a check made payable to petitioner for **\$500.00**.

In the absence of a motion for review filed pursuant to RCFC Appendix B, the clerk of the court is directed to enter judgment herewith.<sup>2</sup>

**IT IS SO ORDERED.**

Dated: August 17, 2017
