**RESPONDENT’S PROFFER ON AWARD OF COMPENSATION**

On February 11, 2014, Marie Verdier, a/k/a Marie Gesumene Pervelus Verdier (“petitioner”) filed a petition for compensation under the Vaccine Act.<sup>1</sup> Petitioner alleges that she received an influenza vaccine in her left arm on October 23, 2012, and subsequently suffered adhesive capsulitis, shoulder impingement, and tendinosis in her left shoulder secondary to the vaccination. (See generally Dkt. 9, Resp.’s Rep. 1–3.) The Secretary of Health and Human Services (“respondent”) filed a Vaccine Rule 4(c) report, conceding that petitioner suffered from a shoulder injury related to vaccine administration (“SIRVA”), and recommending that the Court award petitioner compensation. (Id. at 4–5.) Respondent hereby submits the following proffer regarding the award of compensation.

<sup>1</sup> National Childhood Vaccine Injury Act (“Vaccine Act”) of 1986, Pub. L. No. 99-660, tit. III, §§ 301–323, 100 Stat. 3743, 3755 (1986), *as amended*, 42 U.S.C. §§ 300aa-1 to 300aa-34. All U.S.C. citations are to U.S.C.A. (West, Westlaw through P.L. 113-120, June 10, 2014).

## **I. Items of Compensation**

### **A. Future Medical Care Expenses**

Respondent proffers that based on the evidence of record, petitioner is not entitled to an award for projected unreimbursable medical care expenses incurred from the date of judgment as provided under 42 U.S.C. § 300aa-15(a)(1)(A). Petitioner agrees.

### **B. Lost Earnings**

Respondent proffers that based upon the evidence of record, petitioner has not and is not likely to suffer a loss of earnings as a result of her vaccine-related injury. Accordingly, the Court should not award lost future earnings as provided under § 300aa-15(a)(3)(A). Petitioner agrees.

### **C. Pain and Suffering**

Respondent proffers that the Court should award petitioner a lump sum of \$100,000.00 for her actual and projected pain and suffering. This amount reflects that the award for projected pain and suffering has been reduced to net present value. See § 300aa-15(a)(4). Petitioner agrees.

### **D. Past Unreimbursable Expenses**

Respondent proffers that based upon the evidence of record, petitioner has incurred \$4,059.49 in past unreimbursable expenses related to her vaccine-related injury. Petitioner agrees.

### **E. Medicaid Lien**

Petitioner represents that there are no outstanding Medicaid liens related to her vaccine-related injury.

## **II. Form of the Award**

The parties recommend that the compensation provided to petitioner should be made through a lump sum payment as described below and request that the Special Master's decision and the Court's judgment award the following<sup>2</sup>: a lump sum payment of \$104,059.49 (representing compensation for actual and projected pain and suffering, and past unreimbursable expenses related to the vaccine-related injury), in the form of a check payable to petitioner.

## **III. Summary of Recommended Payment Following Judgment**

A lump sum payment of \$104,059.49, representing compensation for actual and projected pain and suffering, and past unreimbursable expenses related to the vaccine-related injury, payable to petitioner.
