On March 20, 2015, respondent filed her Rule 4(c) Report [“Respondent’s Report”], in which she concedes that petitioner is entitled to compensation in this case. Respondent’s Report at 4. Specifically, respondent submits that “based on the record as it now stands, petitioner has satisfied all legal prerequisites for compensation under the Vaccine Act.” *Id.*

**In view of respondent’s concession and the evidence before me, I find that petitioner is entitled to compensation.**
