On April 6, 2016, the undersigned issued a decision awarding compensation to petitioner based on the respondent's proffer. (ECF No. 36).

On May 20, 2016, petitioner filed a motion for attorneys' fees and costs. (ECF No. 41). Petitioner requests attorneys' fees in the amount of \$20,830.00 and attorneys' costs in the amount of \$3,255.30 for a total amount of \$24,085.30. *Id.* In accordance

with General Order #9, petitioner's counsel represents that petitioner incurred no out-of-pocket expenses. *Id.*

On June 3, 2016, respondent filed a response stating that she "does not object to the overall amount sought, as it is not an unreasonable amount to have been incurred for proceedings in this case to date." (ECF No. 42). She added, however, that the "lack of objection to the amount sought in this case should not be construed as admission, concession, or waiver as to the hourly rates requested, the number of hours billed, or the other litigation related costs." *Id.*

The Vaccine Act permits an award of reasonable attorneys' fees and costs. § 15(e). Based on the reasonableness of petitioner's request and the lack of opposition from respondent, the undersigned **GRANTS** petitioner's motion for attorneys' fees and costs.

**Accordingly, the undersigned awards the total of \$24,085.30<sup>3</sup> as a lump sum in the form of a check jointly payable to petitioner and petitioner's counsel Jane Ann Morrow.**

The clerk of the court shall enter judgment in accordance herewith.<sup>4</sup>
