DECISION ON ATTORNEYS' FEES AND COSTS¹

Dorsey, Chief Special Master:

On January 12, 2016, Diana Hagerman ("petitioner") filed a petition for compensation under the National Vaccine Injury Compensation Program, 42 U.S.C. §300aa-10, *et seq.*,² (the "Vaccine Act"). Petitioner alleged that she suffered injuries to her right shoulder which were caused-in-fact by an influenza ("flu") vaccine she received on November 4, 2014. On June 2, 2016, the undersigned issued a decision awarding compensation to petitioner based on the parties' stipulation. (ECF No. 21).

On July 7, 2016, petitioner filed a motion for attorneys' fees and costs. (ECF No. 26). Petitioner requests attorneys' fees in the amount of \$14,300.00, and attorneys'

¹ Because this unpublished decision contains a reasoned explanation for the action in this case, the undersigned intends to post it on the United States Court of Federal Claims' website, in accordance with the E-Government Act of 2002. 44 U.S.C. § 3501 note (2012) (Federal Management and Promotion of Electronic Government Services). In accordance with Vaccine Rule 18(b), petitioner has 14 days to identify and move to redact medical or other information, the disclosure of which would constitute an unwarranted invasion of privacy. If, upon review, the undersigned agrees that the identified material fits within this definition, the undersigned will redact such material from public access.

costs in the amount of \$1,166.68, for a total amount of \$15,466.68. *Id.* at 2. In accordance with General Order #9, petitioner's counsel represents that petitioner incurred no out-of-pocket expenses.

On July 25, 2016, respondent filed a response to petitioner's motion. (ECF No. 27). Respondent argues that "[n]either the Vaccine Act nor Vaccine Rule 13 contemplates any role for respondent in the resolution of a request by a petitioner for an award of attorneys' fees and costs." *Id.* at 1. Respondent adds, however, that she "is satisfied the statutory requirements for an award of attorneys' fees and costs are met in this case." *Id.* at 2. Additionally, she "asserts that a reasonable amount for fees and costs in the present case would fall between \$12,000.00 to \$14,000.00," based on a survey of fee awards in five "similar cases and her experience litigating Vaccine Act claims." *Id.* at 3. Petitioner did not file a reply.

The undersigned has reviewed the billing records submitted with petitioner's request. In the undersigned's experience, the request appears reasonable, and the undersigned finds no cause to reduce the requested hours or rates.

The Vaccine Act permits an award of reasonable attorneys' fees and costs. § 15(e). Based on the reasonableness of petitioner's request, the undersigned **GRANTS** petitioner's motion for attorneys' fees and costs.

Accordingly, the undersigned awards the total of \$15,466.68³ as a lump sum in the form of a check jointly payable to petitioner and petitioner's counsel Muller Brazil, LLP.

The clerk of the court shall enter judgment in accordance herewith.⁴

IT IS SO ORDERED.
