DECISION ON ATTORNEYS' FEES AND COSTS[1]

Dorsey, Chief Special Master:

On February 16, 2016, petitioner filed a petition for compensation under the National Vaccine Injury Compensation Program, 42 U.S.C. §300aa-10, *et seq.*,[2] (the "Vaccine Act"). Petitioner alleged that she suffered left shoulder pain caused in fact by the tetanus, diphtheria, acellular pertussis ("Tdap") vaccine she received on October 7, 2014. Petition at 1, ¶¶ 5-6, 13. On December 6, 2016, the undersigned issued a decision awarding compensation to petitioner based on the parties' stipulation. (ECF No. 24).

On December 28, 2016, petitioner filed a motion for attorneys' fees and costs. (ECF No. 28). Petitioner requests attorneys' fees in the amount of $12,646.00 and attorneys' costs in the amount of $793.24 for a total amount of $13,439.24. *Id.* at 1. In

compliance with General Order #9, petitioner has filed a signed statement indicating petitioner incurred no out-of-pocket expenses. *See* General Order #9 Statement, filed as 4th Attachment to Petitioner's Motion for Attorneys' Fees and Costs (ECF No. 28).

On January 9, 2017, respondent filed a response stating that she has no objection "to the overall amount sought, as it is not an unreasonable amount to have been incurred for proceedings in this case to date." (ECF No. 29). Respondent adds that her "lack of objection . . . should not be construed as admission, concession, or waiver as to the hourly rates requested, the number of hours billed, or the other litigation related costs." *Id.*

The Vaccine Act permits an award of reasonable attorneys' fees and costs. § 15(e). Based on the reasonableness of petitioner's request and the lack of opposition from respondent, the undersigned **GRANTS** petitioner's motion for attorneys' fees and costs.

Accordingly, the undersigned awards the total of $13,439.24[3] as a lump sum in the form of a check jointly payable to petitioner and petitioner's counsel Jeffrey S. Pop.

The clerk of the court shall enter judgment in accordance herewith.[4]
