DECISION ON ATTORNEYS' FEES AND COSTS¹

Dorsey, Chief Special Master:

On September 2, 2016, petitioner filed a petition for compensation under the National Vaccine Injury Compensation Program, 42 U.S.C. §300aa-10, *et seq.*,² (the "Vaccine Act"). Petitioner alleged that she suffered a left shoulder injury related to vaccine administration following an influenza vaccine administered on October 8, 2014. On February 7, 2017, the undersigned issued a decision awarding compensation to petitioner based on respondent's proffer. (ECF No. 15).

On May 30, 2017, petitioner filed a motion for attorneys' fees and costs. (ECF No. 18). Petitioner requests attorneys' fees in the amount of \$8,738.25, attorneys' costs in the amount of \$771.12. *Id.* at 1. In compliance with General Order #9, petitioner has

¹ Because this unpublished decision contains a reasoned explanation for the action in this case, the undersigned intends to post it on the United States Court of Federal Claims' website, in accordance with the E-Government Act of 2002. 44 U.S.C. § 3501 note (2012) (Federal Management and Promotion of Electronic Government Services). In accordance with Vaccine Rule 18(b), petitioner has 14 days to identify and move to redact medical or other information, the disclosure of which would constitute an unwarranted invasion of privacy. If, upon review, the undersigned agrees that the identified material fits within this definition, the undersigned will redact such material from public access.

² National Childhood Vaccine Injury Act of 1986, Pub. L. No. 99-660, 100 Stat. 3755. Hereinafter, for ease of citation, all "§" references to the Vaccine Act will be to the pertinent subparagraph of 42 U.S.C. § 300aa (2012).

filed a signed statement indicating petitioner incurred no out-of-pocket expenses. Prior to filing, petitioner submitted her motion to respondent. Respondent stated that he has no objection to petitioner's motion. *Id.* at 1-2. Respondent cautions, however, that his lack of objection "should not be construed as admission, concession, or waiver as to the hourly rates requested, the number of hours billed, or the other litigation related costs." *Id.* at 2.

The Vaccine Act permits an award of reasonable attorneys' fees and costs. § 15(e). Based on the reasonableness of petitioner's request and the lack of opposition from respondent, the undersigned **GRANTS** petitioner's motion for attorneys' fees and costs.

Accordingly, the undersigned awards the total of \$9,509.37³ as a lump sum in the form of a check jointly payable to petitioner and petitioner's counsel Pleban & Petruska Law, LLC.
