### **DECISION ON ATTORNEYS' FEES AND COSTS<sup>1</sup>**

**Dorsey**, Chief Special Master:

On May 2, 2017, petitioner filed a petition for compensation under the National Vaccine Injury Compensation Program, 42 U.S.C. §300aa-10, *et seq.*,<sup>2</sup> (the "Vaccine Act"). Petitioner alleges that she suffered left shoulder injuries, to include tendinopathy and adhesive capsulitis, caused by the administration of her October 1, 2015 influenza ("flu") vaccine. Petition at 1. On March 7, 2018, the undersigned issued a decision awarding compensation to petitioner based on the parties' stipulation. (ECF No. 28).

On June 22, 2018, petitioner filed a motion for attorneys' fees and costs. (ECF No. 32). Petitioner requests attorneys' fees in the amount of \$26,954.00 and attorneys' costs in the amount of \$926.43. *Id.* at 1-2. In compliance with General Order #9,

<sup>1</sup> Because this unpublished decision contains a reasoned explanation for the action in this case, the undersigned intends to post it on the United States Court of Federal Claims' website, in accordance with the E-Government Act of 2002. 44 U.S.C. § 3501 note (2012) (Federal Management and Promotion of Electronic Government Services). In accordance with Vaccine Rule 18(b), petitioner has 14 days to identify and move to redact medical or other information, the disclosure of which would constitute an unwarranted invasion of privacy. If, upon review, the undersigned agrees that the identified material fits within this definition, the undersigned will redact such material from public access.

<sup>2</sup> National Childhood Vaccine Injury Act of 1986, Pub. L. No. 99-660, 100 Stat. 3755. Hereinafter, for ease of citation, all "§" references to the Vaccine Act will be to the pertinent subparagraph of 42 U.S.C. § 300aa (2012).

petitioner filed a signed statement indicating that petitioner incurred no out-of-pocket expenses. *Id.* at 2. Thus, the total amount requested is \$27,880.43.

On June 29, 2018, respondent filed a response to petitioner's motion. (ECF No. 34). Respondent argues that "[n]either the Vaccine Act nor Vaccine Rule 13 contemplates any role for respondent in the resolution of a request by a petitioner for an award of attorneys' fees and costs." *Id.* at 1. Respondent adds, however, that he "is satisfied the statutory requirements for an award of attorneys' fees and costs are met in this case." *Id.* at 2. Respondent "respectfully recommends that the Chief Special Master exercise her discretion and determine a reasonable award for attorneys' fees and costs." *Id.* at 3.

On June 29, 2018, petitioner filed a reply. (ECF No. 35). Petitioner disputes respondent's position that she has no role in resolving attorneys' fees and costs and further reiterates her view that her attorneys' fees and costs in this case are reasonable.

The undersigned has reviewed the billing records submitted with petitioner's request and finds a reduction in the amount of fees to be awarded appropriate for the reason listed below.

Upon review of the records, a number of entries billed by the paralegals are for tasks better characterized as clerical or administrative. It is clearly established that secretarial work "should be considered as normal overhead office costs included within the attorneys' fee rates." *Rochester v. U.S.*, 18 Cl. Ct. 379, 387 (1989); *Dingle v. Sec'y of Health & Human Servs.*, No. 08-579V, 2014 WL 630473, at \*4 (Fed. Cl. Spec. Mstr. Jan. 24, 2014). "[B]illing for clerical and other secretarial work is not permitted in the Vaccine Program." *Mostovoy*, 2016 WL 720969, at \*5 (citing *Rochester*, 18 Cl. Ct. at 387). A total of 0.80 hours<sup>3</sup> was billed by paralegals on administrative tasks including, paying invoices, organizing documents, and mailing correspondence. For these reasons the request for attorney's fees is **reduced in the amount of \$108.00**.<sup>4</sup>

The full amount of costs sought, \$926.43, is awarded.

The Vaccine Act permits an award of reasonable attorneys' fees and costs. § 15(e). Based on the reasonableness of petitioner's request, the undersigned **GRANTS** petitioner's motion for attorneys' fees and costs.

<sup>3</sup> Examples of these entries include: November 11, 2016 (0.1 hrs) "Review status of file and update personal notes accordingly."; April 26, 2017 (0.10 hrs) "Receipt and review of invoice from Massachusetts General Hospital for updated medical records and request payment of same." and September 1, 2017 (0.20 hrs) "Process payment to Bactes for updated records from Sports Medicine Center". These entries are merely examples and are not exhaustive.

<sup>4</sup> This amount consists of: 0.2 hours at \$105 per hour and 0.6 hours at \$145 per hour.

**Accordingly, the undersigned awards the total of \$27,772.43<sup>5</sup> as a lump sum in the form of a check jointly payable to petitioner and petitioner's counsel Alison H. Haskins. Petitioner requests check be forwarded to Maglio, Christopher & Toale, PA, 1065 Main Street, Suite 710, Sarasota, Florida 34236.**

The clerk of the court shall enter judgment in accordance herewith.<sup>6</sup>

**IT IS SO ORDERED.**

This award encompasses all charges by the attorney against a client, "advanced costs" as well as fees for legal services rendered. Furthermore, § 15(e)(3) prevents an attorney from charging or collecting fees (including costs) that would be in addition to the amount awarded herein. See *generally Beck v. Sec'y of Health & Human Servs.*, 924 F.2d 1029 (Fed. Cir.1991).

<sup>6</sup> Pursuant to Vaccine Rule 11(a), entry of judgment can be expedited by the parties' joint filing of notice renouncing the right to seek review.
