## OFFICE OF SPECIAL MASTERS

No. 17-0794V

Filed: November 26, 2018

UNPUBLISHED

KATHLEEN KNOX,

Petitioner,

v.

SECRETARY OF HEALTH AND  
HUMAN SERVICES,

Respondent.

Special Processing Unit (SPU);  
Attorneys' Fees and Costs

*Nancy Routh Meyers, Ward Black Law, Greensboro, NC, for petitioner.*

*Debra A. Filteau Begley, U.S. Department of Justice, Washington, DC, for respondent.*

### **DECISION ON ATTORNEYS' FEES AND COSTS<sup>1</sup>**

**Dorsey**, Chief Special Master:

On June 14, 2017, petitioner filed a petition for compensation under the National Vaccine Injury Compensation Program, 42 U.S.C. §300aa-10, *et seq.*,<sup>2</sup> (the "Vaccine Act"). Petitioner alleges that she suffered adhesive capsulitis resulting from a tetanus, diphtheria, pertussis vaccination she received on October 6, 2016. Petition at 1 ¶¶ 2, 15. On September 24, 2018, the undersigned issued a decision awarding compensation to petitioner based on the parties' stipulation. ECF No. 39.

On October 15, 2018, petitioner filed a motion for attorneys' fees and costs. ECF No. 43. Petitioner requests attorneys' fees in the amount of \$10,649.95 and attorneys'

---

<sup>1</sup> The undersigned intends to post this decision on the United States Court of Federal Claims' website. **This means the decision will be available to anyone with access to the Internet.** In accordance with Vaccine Rule 18(b), petitioner has 14 days to identify and move to redact medical or other information, the disclosure of which would constitute an unwarranted invasion of privacy. If, upon review, the undersigned agrees that the identified material fits within this definition, the undersigned will redact such material from public access. Because this unpublished decision contains a reasoned explanation for the action in this case, undersigned is required to post it on the United States Court of Federal Claims' website in accordance with the E-Government Act of 2002. 44 U.S.C. § 3501 note (2012) (Federal Management and Promotion of Electronic Government Services).

<sup>2</sup> National Childhood Vaccine Injury Act of 1986, Pub. L. No. 99-660, 100 Stat. 3755. Hereinafter, for ease of citation, all "§" references to the Vaccine Act will be to the pertinent subparagraph of 42 U.S.C. § 300aa (2012).

costs in the amount of \$656.84. *Id.* at 1. In compliance with General Order #9, petitioner filed a signed statement indicating that petitioner incurred no out-of-pocket expenses. ECF No. 43-1. Thus, the total amount requested is \$11,306.79.

On October 29, 2018, respondent filed a response to petitioner's motion. ECF No. 45. Respondent argues that "[n]either the Vaccine Act nor Vaccine Rule 13 contemplates any role for respondent in the resolution of a request by a petitioner for an award of attorneys' fees and costs." *Id.* at 1. Respondent adds, however, that he "is satisfied the statutory requirements for an award of attorneys' fees and costs are met in this case." *Id.* at 2. Respondent "respectfully recommends that the Chief Special Master exercise her discretion and determine a reasonable award for attorneys' fees and costs." *Id.* at 3.

On October 29, 2018, petitioner filed a reply. ECF No. 46. "Petitioner concurs with Respondent's recommendation that Chief Special Master Dorsey exercise her discretion and determine a reasonable award for attorney fees in this case." *Id.* at 1.

The undersigned has reviewed the billing records submitted with petitioner's request. The undersigned finds that the request for attorney fees be reduced for the reason listed below.

#### **I. Legal Standard**

The Vaccine Act permits an award of reasonable attorneys' fees and costs. § 15(e). Counsel must submit fee requests that include contemporaneous and specific billing records indicating the service performed, the number of hours expended on the service, and the name of the person performing the service. *See Savin v. Sec'y of Health & Human Servs.*, 85 Fed. Cl. 313, 316-18 (2008). Counsel should not include in their fee requests hours that are "excessive, redundant, or otherwise unnecessary." *Saxton v. Sec'y of Health & Human Servs.*, 3 F.3d 1517, 1521 (Fed. Cir. 1993) (quoting *Hensley v. Eckerhart*, 461 U.S. 424, 434 (1983)). It is "well within the special master's discretion to reduce the hours to a number that, in [her] experience and judgment, [is] reasonable for the work done." *Id.* at 1522. Furthermore, the special master may reduce a fee request *sua sponte*, apart from objections raised by respondent and without providing a petitioner notice and opportunity to respond. *See Sabella v. Sec'y of Health & Human Servs.*, 86 Fed. Cl. 201, 209 (2009). A special master need not engaged in a line-by-line analysis of petitioner's fee application when reducing fees. *Broekelschen v. Sec'y of Health & Human Servs.*, 102 Fed. Cl. 719, 729 (2011).

The petitioner "bears the burden of establishing the hours expended, the rates charged, and the expenses incurred." *Wasson v. Sec'y of Health & Human Servs.*, 24 Cl. Ct. at 482, 484 (1991). She "should present adequate proof [of the attorneys' fees and costs sought] at the time of the submission." *Id.* at 484 n.1. Petitioner's counsel "should make a good faith effort to exclude from a fee request hours that are excessive,

redundant, or otherwise unnecessary, just as a lawyer in private practice ethically is obligated to exclude such hours from his fee submission.” *Hensley*, 461 U.S., at 434.

## II. Discussion

### A. Administrative Time

Upon review of the billing records submitted, it appears that a number of entries are for tasks considered clerical or administrative. In the Vaccine Program, secretarial work “should be considered as normal overhead office costs included within the attorneys’ fee rates.” *Rochester v. U.S.*, 18 Cl. Ct. 379, 387 (1989); *Dingle v. Sec’y of Health & Human Servs.*, No. 08-579V, 2014 WL 630473, at \*4 (Fed. Cl. Spec. Mstr. Jan. 24, 2014). “[B]illing for clerical and other secretarial work is not permitted in the Vaccine Program.” *Mostovoy*, 2016 WL 720969, at \*5 (citing *Rochester*, 18 Cl. Ct. at 387). A total of 2.84 hours was billed by Ms. Meyers and her paralegal on tasks considered administrative. Examples of these entries include<sup>3</sup>:

April 6, 2017 (0.20 hrs) “Receipt of invoice for MR, for \$15.00 from Care health Lancaster. Scanned and saved invoice. Sent check request to the accounting department.”

April 21, 2017 (0.20 hrs) “Receipt of check #33831 from accounting dept., for \$39.00 for medical records from Your Life Wellness & Physical Therapy. Scanned and saved the check to the client’s file and mailed the check”

June 14, 2017 (0.10 hrs) “Receipt of Court’s Notice of Filing of a Petition by Kathleen Knox”

June 20, 2017 (0.10 hrs) “Receipt of Court’s Notice of Filing of the Statement of Completion”

September 17, 2018 (0.30 hrs) “Took Stipulation and letter to FedEx and overnighted the envelope”

ECF No. 43-2 at 6, 14-15 and 27.

Thus, the undersigned reduces the request for attorneys’ costs by **\$514.30**.<sup>4</sup>

### B. Duplicated Entries

In review of the billing entries submitted there are multiple entries that appear to have been duplicated. The duplicated entries are as follows:

---

<sup>3</sup> These are merely examples and this list is not exhaustive.

<sup>4</sup> This amount consists of (2.34 hrs x \$145 per hour = \$339.30) + (0.5 hrs x \$350 per hour = \$175) = \$514.30.

June 6, 2018 (0.10hrs) "Receipt of 15-week Order for case"  
September 17, 2018 (0.10 hrs) "Receipt of Court Notice re-Activity in Case 1:17-  
vv-00794-UNJ KNOX v. SECRETARY OF HEALTH AND HUMAN SERVICES  
15-Weej Stipulation Status Report Response."

ECF No. 43-2 at 10 and 27.

Therefore the undersigned reduced the request for attorneys' fees by **\$49.50**, the total amount of the duplicated entries.

### **III. Attorney Costs**

Petitioner requests reimbursement for costs incurred in the amount of \$656.84. ECF No. 43 at 1. After reviewing petitioner's invoices, the undersigned finds no cause to reduce petitioner's request and awards the full amount of attorney costs sought.

### **IV. Conclusion**

Based on the reasonableness of petitioner's request, the undersigned **GRANTS IN PART** petitioner's motion for attorneys' fees and costs.

**Accordingly, the undersigned awards the total of \$10,742.99<sup>5</sup> as a lump sum in the form of a check jointly payable to petitioner and petitioner's counsel Nancy Routh Meyers.**

The clerk of the court shall enter judgment in accordance herewith.<sup>6</sup>

**IT IS SO ORDERED.**

**s/Nora Beth Dorsey**  
Nora Beth Dorsey  
Chief Special Master

---

<sup>5</sup> This amount is intended to cover all legal expenses incurred in this matter. This award encompasses all charges by the attorney against a client, "advanced costs" as well as fees for legal services rendered. Furthermore, § 15(e)(3) prevents an attorney from charging or collecting fees (including costs) that would be in addition to the amount awarded herein. See *generally Beck v. Sec'y of Health & Human Servs.*, 924 F.2d 1029 (Fed. Cir.1991).

<sup>6</sup> Pursuant to Vaccine Rule 11(a), entry of judgment can be expedited by the parties' joint filing of notice renouncing the right to seek review.
