DECISION ON ATTORNEYS' FEES AND COSTS¹

Dorsey, Chief Special Master:

On October 12, 2017, petitioner filed a petition for compensation under the National Vaccine Injury Compensation Program, 42 U.S.C. §300aa-10, *et seq.*,² (the "Vaccine Act"). Petitioner alleges that she suffered a shoulder injury related to vaccine administration ("SIRVA") in her left shoulder as a result of the influenza ("flu") vaccine she received on November 5, 2015. Petition at 1-3. On September 14, 2018, the undersigned issued a decision awarding compensation to petitioner based on the parties' stipulation. (ECF No. 32).

¹ Because this unpublished decision contains a reasoned explanation for the action in this case, the undersigned intends to post it on the United States Court of Federal Claims' website, in accordance with the E-Government Act of 2002. 44 U.S.C. § 3501 note (2012) (Federal Management and Promotion of Electronic Government Services). In accordance with Vaccine Rule 18(b), petitioner has 14 days to identify and move to redact medical or other information, the disclosure of which would constitute an unwarranted invasion of privacy. If, upon review, the undersigned agrees that the identified material fits within this definition, the undersigned will redact such material from public access.

² National Childhood Vaccine Injury Act of 1986, Pub. L. No. 99-660, 100 Stat. 3755. Hereinafter, for ease of citation, all "§" references to the Vaccine Act will be to the pertinent subparagraph of 42 U.S.C. § 300aa (2012).

On September 17, 2018, petitioner filed an unopposed motion for attorneys' fees and costs. (ECF No. 36).³ Petitioner requests attorneys' fees in the amount of \$12,375.00 and attorneys' costs in the amount of \$400.00. *Id.* at 2-3. In compliance with General Order #9, petitioner filed a signed statement indicating that petitioner incurred no out-of-pocket expenses. (ECF No. 36-3). Thus, the total amount requested is \$12,775.00.

The undersigned has reviewed the billing records submitted with petitioner's request. In the undersigned's experience, the request appears reasonable, and the undersigned finds no cause to reduce the requested hours or rates

The Vaccine Act permits an award of reasonable attorneys' fees and costs. § 15(e). Based on the reasonableness of petitioner's request and the lack of opposition from respondent, the undersigned **GRANTS** petitioner's motion for attorneys' fees and costs.

Accordingly, the undersigned awards the total of \$12,775.00⁴ as a lump sum in the form of a check jointly payable to petitioner and petitioner's counsel Jennifer Boatwright Lint.

The clerk of the court shall enter judgment in accordance herewith.⁵

IT IS SO ORDERED.

³ The motion was filed as an unopposed motion, however the motion does not specifically state that respondent has no objection to petitioner's request. (ECF No. 36).

⁴ This amount is intended to cover all legal expenses incurred in this matter. This award encompasses all charges by the attorney against a client, "advanced costs" as well as fees for legal services rendered. Furthermore, § 15(e)(3) prevents an attorney from charging or collecting fees (including costs) that would be in addition to the amount awarded herein. See *generally Beck v. Sec'y of Health & Human Servs.*, 924 F.2d 1029 (Fed. Cir.1991).

⁵ Pursuant to Vaccine Rule 11(a), entry of judgment can be expedited by the parties' joint filing of notice renouncing the right to seek review.
