DECISION ON JOINT STIPULATION¹

On August 22, 2018, Sherrie Sandoval as Personal Representative of the estate of Robert Sandoval, filed a petition for compensation under the National Vaccine Injury Compensation Program, 42 U.S.C. §300aa-10, *et seq.*,² (the “Vaccine Act”). Petitioner alleges that the decedent, Robert Sandoval, suffered Guillain-Barre Syndrome (GBS) resulting from the adverse effects of a September 26, 2016 influenza (flu) vaccination, which subsequently caused his death. Petition at 1; Stipulation, filed February 24, 2020, at ¶¶ 2, 4. Petitioner further alleges the decedent received the flu vaccine in the United States, and that there has been no prior award or settlement of a civil action for damages on behalf of the decedent as a result of his condition and/or his death. Petition at 1, 5-6; Stipulation at ¶¶ 3, 5. “Respondent denies that the flu vaccine caused the decedent’s alleged GBS, any other injury, or his death.” Stipulation at ¶ 6.

¹ Because this unpublished decision contains a reasoned explanation for the action in this case, I am required to post it on the United States Court of Federal Claims’ website in accordance with the E-Government Act of 2002. 44 U.S.C. § 3501 note (2012) (Federal Management and Promotion of Electronic Government Services). **This means the decision will be available to anyone with access to the internet.** In accordance with Vaccine Rule 18(b), Petitioner has 14 days to identify and move to redact medical or other information, the disclosure of which would constitute an unwarranted invasion of privacy. If, upon review, I agree that the identified material fits within this definition, I will redact such material from public access.

² National Childhood Vaccine Injury Act of 1986, Pub. L. No. 99-660, 100 Stat. 3755. Hereinafter, for ease of citation, all “§” references to the Vaccine Act will be to the pertinent subparagraph of 42 U.S.C. § 300aa (2012).

Nevertheless, on February 24, 2020, the parties filed the attached joint stipulation, stating that a decision should be entered awarding compensation. I find the stipulation reasonable and adopt it as my decision awarding damages, on the terms set forth therein.

Pursuant to the terms stated in the attached Stipulation, **I award** the following compensation:

A lump sum of \$2,198.72, which amount represents reimbursement of a Medicaid lien for services rendered on behalf of the decedent, in the form of a check payable jointly to Petitioner and the New Mexico Human Services Department. Stipulation at ¶ 8a.

A lump sum of \$275,000.00 in the form of a check payable to Petitioner. Stipulation at ¶ 8b. This amount represents compensation for all items of damages that would be available under § 15(a). *Id.*

I approve the requested amount for Petitioner's compensation. In the absence of a motion for review filed pursuant to RCFC Appendix B, the clerk of the court is directed to enter judgment in accordance with this decision.³

IT IS SO ORDERED.

14. If the Special Master fails to issue a decision in complete conformity with the terms of this Stipulation or if the Court of Federal Claims fails to enter judgment in conformity with a decision that is in complete conformity with the terms of this Stipulation, then the parties' settlement and this Stipulation shall be voidable at the sole discretion of either party.

15. This Stipulation expresses a full and complete negotiated settlement of liability and damages claimed under the National Childhood Vaccine Injury Act of 1986, as amended, except as otherwise noted in paragraph 9 above. There is absolutely no agreement on the part of the parties hereto to make any payment or to do any act or thing other than is herein expressly stated and clearly agreed to. The parties further agree and understand that the award described in this Stipulation may reflect a compromise of the parties' respective positions as to liability or amount of damages, and further, that a change in the items of compensation sought is not grounds to modify or revise this agreement.

16. This Stipulation shall not be construed as an admission by the United States or respondent that the influenza vaccination caused Mr. Sandoval's alleged GBS or any other injury or his death.

17. All rights and obligations of petitioner hereunder shall apply equally to petitioner's heirs, executors, administrators, successors, and/or assigns as legal representatives of the Estate of Mr. Sandoval.
