RESPONDENT’S PROFFER ON AWARD OF COMPENSATION

On August 28, 2018, Esmeralda Barrera (“petitioner”) filed a petition for compensation under the National Childhood Vaccine Injury Act of 1986, 42 U.S.C. §§ 300aa-1 to -34 (“Vaccine Act” or “Act”), alleging that she suffered Guillain-Barre Syndrome as a result of an influenza vaccine she received on September 20, 2016. Petition at 1. On September 10, 2019, the Secretary of Health and Human Services (“respondent”) filed a Rule 4(c) Report indicating that this case is appropriate for compensation under the terms of the Act, and the Chief Special Master issued a Ruling on Entitlement finding petitioner entitled to compensation on September 11, 2019. ECF No. 24; ECF No. 26.

I. Items of Compensation

A. Pain and Suffering

Respondent proffers that Esmeralda Barrera should be awarded \$100,000.00 in actual and projected pain and suffering. This amount reflects that the award for projected pain and suffering has been reduced to net present value. *See* 42 U.S.C. § 300aa-15(a)(4). Petitioner agrees.

B. Lost Earnings

The parties agree that based upon the evidence of record, petitioner has suffered past loss of earnings. Therefore, respondent proffers that petitioner should be awarded past lost earnings as provided under the Vaccine Act, 42 U.S.C. § 300aa-15(a)(3)(A). Respondent proffers that the appropriate award for petitioner's lost earnings is \$10,799.25. Petitioner agrees.

C. Satisfaction of Medicaid Lien

Respondent further proffers that Esmeralda Barrera should be awarded funds to satisfy a Minnesota Department of Human Services ("MDHS") Medicaid lien in the amount of \$2,873.34, which represents full satisfaction of any right of subrogation, assignment, claim, lien, or cause of action MDHS may have against any individual as a result of any Medicaid payments that MDHS has made to or on behalf of Esmeralda Barrera from the date of her eligibility for benefits through the date of judgment in this case as a result of her vaccine-related injury suffered on or about September 10, 2019, under Title XIX of the Social Security Act. Petitioner agrees.

II. Form of the Award

Petitioner is a competent adult. Evidence of guardianship is not required in this case. Respondent recommends that the compensation provided to petitioner be made through two lump sum payments as described below:

- 1) A lump sum payment of \$110,799.25 in the form of a check payable to petitioner.¹
- 2) A lump sum payment of \$2,873.34, representing compensation for satisfaction of the MDHS Medicaid lien, payable jointly to petitioner and to:

¹ Should petitioner die prior to entry of judgment, the parties reserve the right to move the Court for appropriate relief. In particular, respondent would oppose any award for future lost earnings and future pain and suffering.
