## DECISION ON JOINT STIPULATION<sup>1</sup>

On September 5, 2018, William C. Finney, as personal representative of the estate of Jean Finney filed a petition for compensation under the National Vaccine Injury Compensation Program, 42 U.S.C. §300aa-10, *et seq.*,<sup>2</sup> (the “Vaccine Act”). Petitioner alleges that the decedent suffered GBS and subsequent death related to an adverse reaction to the influenza vaccination she received on November 10, 2017. Petition at 1, 3; Stipulation, filed May 26, 2020, at ¶ 4. Petitioner further alleges that the vaccination was administered in the United States, the death was the sequela of her injury, and that there has been no prior award or settlement of a civil action for damages on behalf of the decedent as a result of her injury or death. Petition at 1, 3; Stipulation at ¶¶ 3-5. “Respondent denies that the flu vaccine cause Mrs. Finney’s alleged GBS, any other injury, or her death.” Stipulation at ¶ 6.

<sup>1</sup> Because this unpublished decision contains a reasoned explanation for the action in this case, I am required to post it on the United States Court of Federal Claims’ website in accordance with the E-Government Act of 2002. 44 U.S.C. § 3501 note (2012) (Federal Management and Promotion of Electronic Government Services). **This means the decision will be available to anyone with access to the internet.** In accordance with Vaccine Rule 18(b), Petitioner has 14 days to identify and move to redact medical or other information, the disclosure of which would constitute an unwarranted invasion of privacy. If, upon review, I agree that the identified material fits within this definition, I will redact such material from public access.

<sup>2</sup> National Childhood Vaccine Injury Act of 1986, Pub. L. No. 99-660, 100 Stat. 3755. Hereinafter, for ease of citation, all “§” references to the Vaccine Act will be to the pertinent subparagraph of 42 U.S.C. § 300aa (2012).

Nevertheless, on May 26, 2020, the parties filed the attached joint stipulation, stating that a decision should be entered awarding compensation. I find the stipulation reasonable and adopt it as my decision awarding damages, on the terms set forth therein.

Pursuant to the terms stated in the attached Stipulation, **I award** the following compensation:

**A lump sum of \$240,000.00 in the form of a check payable to Petitioner.** Stipulation at ¶ 8. This amount represents compensation for all items of damages that would be available under § 15(a). *Id.*

I approve the requested amount for Petitioner's compensation. In the absence of a motion for review filed pursuant to RCFC Appendix B, the clerk of the court is directed to enter judgment in accordance with this decision.<sup>3</sup>

**IT IS SO ORDERED.**

**STIPULATION**

The parties hereby stipulate to the following matters:

1. William C. Finney (“petitioner”), as personal representative of the estate of Jean Finney (“Mrs. Finney”), deceased, filed a petition for vaccine compensation under the National Vaccine Injury Compensation Program, 42 U.S.C. §§ 300aa-10 to -34 (the “Vaccine Program”). The petition seeks compensation for injuries and death allegedly related to Mrs. Finney’s receipt of an influenza (“flu”) vaccine, which vaccine is contained in the Vaccine Injury Table (the “Table”), 42 C.F.R. § 100.3(a).
2. Mrs. Finney received the flu vaccine on November 10, 2017.
3. The vaccine was administered within the United States.
4. Petitioner alleges that as a result of receiving the flu vaccine, Mrs. Finney suffered Guillain-Barré Syndrome (“GBS”). Mrs. Finney passed away on February 14, 2018. Petitioner further alleges that Mrs. Finney’s death was the sequela of her alleged vaccine-related injury.

5. Petitioner represents that there has been no prior award or settlement of a civil action for damages on behalf of Mrs. Finney as a result of her alleged condition or her death.

6. Respondent denies that the flu vaccine caused Mrs. Finney's alleged GBS, any other injury, or her death.

7. Maintaining their above-stated positions, the parties nevertheless now agree that the issues between them shall be settled and that a decision should be entered awarding the compensation described in paragraph 8 of this Stipulation.

8. As soon as practicable after an entry of judgment reflecting a decision consistent with the terms of this Stipulation, and after petitioner has filed an election to receive compensation pursuant to 42 U.S.C. § 300aa-21(a)(1), the Secretary of Health and Human Services will issue the following vaccine compensation payment:

A lump sum of \$240,000.00 in the form of a check payable to petitioner as personal representative of the estate of Jean Finney. This amount represents compensation for all damages that would be available under 42 U.S.C. § 300aa-15(a).

9. As soon as practicable after the entry of judgment on entitlement in this case, and after petitioner has filed both a proper and timely election to receive compensation pursuant to 42 U.S.C. § 300aa-21(a)(1), and an application, the parties will submit to further proceedings before the special master to award reasonable attorneys' fees and costs incurred in proceeding upon this petition.

10. Petitioner and his attorney represent that they have identified to respondent all known sources of payment for items or services for which the Program is not primarily liable under 42 U.S.C. § 300aa-15(g), including State compensation programs, insurance policies, Federal or State health benefits programs (other than Title XIX of the Social Security Act (42 U.S.C. § 1396 et seq.)), or entities that provide health services on a pre-paid basis.

11. Payments made pursuant to paragraph 8 of this Stipulation, and any amount awarded pursuant to paragraph 9, will be made in accordance with 42 U.S.C. § 300aa-15(i), subject to the availability of sufficient statutory funds.

12. Petitioner represents that he presently is, or within 90 days of the date of judgment will become, duly authorized to serve as the Personal Representative of the Estate of Jean Finney under the laws of the State of Texas. No payments pursuant to this Stipulation shall be made until petitioner provides the Secretary with documentation establishing his appointment as the Personal Representative of the Estate of Jean Finney. If petitioner is not authorized by a court of competent jurisdiction to serve as the Personal Representative of the Estate of Jean Finney at the time a payment pursuant to this Stipulation is to be made, any such payment shall be paid to the party or parties appointed by a court of competent jurisdiction to serve as Personal Representative of the Estate of Jean Finney upon submission of written documentation of such appointment to the Secretary.

13. In return for the payments described in paragraph 8, and any amount awarded pursuant to paragraph 9, petitioner, in his individual capacity, and as the Personal Representative of the Estate of Jean Finney, on behalf of Mrs. Finney's heirs, executors, administrators, successors or assigns, does forever irrevocably and unconditionally release, acquit and discharge the United States and the Secretary of Health and Human Services from any and all actions or causes of action (including agreements, judgments, claims, damages, loss of services, expenses and all demands of whatever kind or nature) that have been brought, could have been brought, or could be timely brought in the Court of Federal Claims, under the National Vaccine Injury Compensation Program, 42 U.S.C. § 300 aa-10 et seq., on account of, or in any way growing out of, any and all known or unknown, suspected or unsuspected personal injuries to or death of Mrs.

Finney resulting from, or alleged to have resulted from, the flu vaccine administered on November 10, 2017, as alleged in a Petition filed on September 5, 2018, in the United States Court of Federal Claims as petition No. 18-1356V.

14. If the special master fails to issue a decision in complete conformity with the terms of this Stipulation or if the United States Court of Federal Claims fails to enter judgment in conformity with a decision that is in complete conformity with the terms of this Stipulation, then the parties' settlement and this Stipulation shall be voidable at the sole discretion of either party.

15. This Stipulation expresses a full and complete negotiated settlement of liability and damages claimed under the National Childhood Vaccine Injury Act of 1986, as amended. There is absolutely no agreement on the part of the parties hereto to make any payment or do any act or thing other than is herein expressly stated and clearly agreed to. The parties further agree and understand that the award described in this Stipulation may reflect a compromise of the parties' respective positions as to liability and/or amount of damages.

16. This Stipulation shall not be construed as an admission by the United States or the Secretary of Health and Human Services that the flu vaccine caused Mrs. Finney's alleged GBS or any other injury or her death.

17. All rights and obligations of petitioner in his capacity as the Personal Representative of the Estate of Jean Finney shall apply equally to petitioner's heirs, executors, administrators, successors, and/or assigns.
