Special Processing Unit (SPU); Joint  
Stipulation on Damages; Influenza  
(Flu) Vaccine; Shoulder Injury  
Related to Vaccine Administration  
(SIRVA)

### **DECISION ON JOINT STIPULATION<sup>1</sup>**

On November 2, 2018, Anne Doetskott filed a petition for compensation under the National Vaccine Injury Compensation Program, 42 U.S.C. §300aa-10, *et seq.*<sup>2</sup> (the “Vaccine Act”). Petitioner alleges that she suffered a shoulder injury related to vaccine administration (“SIRVA”) as a result of an influenza vaccination administered on November 6, 2015. Petition at 1; Stipulation, filed on December 23, 2020, at ¶¶ 2, 4. Petitioner further alleges she received the vaccine in the United States, that she experienced the residual effects of her injury for more than six months, and that there has been no prior award or settlement of a civil action for damages as a result of her alleged condition. Petition at 14; Stipulation at ¶¶ 3-4, 6.

On December 23, 2020, the parties filed the attached joint stipulation, stating that a decision should be entered awarding compensation. I find the stipulation reasonable and adopt it as my decision awarding damages, on the terms set forth therein.

<sup>3</sup> Pursuant to Vaccine Rule 11(a), entry of judgment can be expedited by the parties' joint filing of notice renouncing the right to seek review.

ANNE DOETKOTT,  
  
Petitioner,  
  
v.  
  
SECRETARY OF HEALTH AND  
HUMAN SERVICES,  
  
Respondent.

**The parties hereby stipulate to the following matters:**

2. Petitioner received the flu vaccine in her left arm on November 6, 2015.

4. Petitioner alleges that she suffered from a left shoulder injury related to vaccination administration (“SIRVA”) as a result of receiving the flu vaccine within the time period set forth in the Table. Petitioner further alleges that she experienced the residual effects of her SIRVA for more than six months.

5. There is not a preponderance of the evidence demonstrating that petitioner's SIRVA and residual effects were due to a factor unrelated to her November 6, 2015 flu vaccination.

6. Petitioner represents that there has been no prior award or settlement of a civil action for damages on her behalf as a result of her condition.

7. Accordingly, petitioner is entitled to compensation under the terms of the Vaccine Program for her left SIRVA. Therefore, a decision should be entered awarding the compensation described in paragraph 8 of this Stipulation.

8. As soon as practicable after an entry of judgment reflecting a decision consistent with the terms of this Stipulation, and after petitioner has filed an election to receive compensation pursuant to 42 U.S.C. § 300aa-21(a)(1), the Secretary of Health and Human Services will issue the following vaccine compensation payment:

- a. A lump sum of \$8,548.70, which amount represents reimbursement for a Medicaid lien for vaccine injury-related services rendered on behalf of petitioner, in the form of a check payable jointly to petitioner and HealthPartners (Tax ID No. 41-1693838), P.O. Box 1309, Mail Stop 21114A, Minneapolis, Minnesota 55440;

Petitioner agrees to endorse this check to HealthPartners.

- b. A lump sum of \$107,965.05, in the form of a check payable to petitioner, which represents compensation for all remaining damages that would be available under 42 U.S.C. § 300aa-15(a).

9. As soon as practicable after the entry of judgment on entitlement in this case, and after petitioner has filed both a proper and timely election to receive compensation pursuant to 42 U.S.C. § 300aa-21(a)(1), and an application, the parties will submit to further proceedings before the special master to award reasonable attorneys' fees and costs incurred in proceeding upon this petition.

10. Petitioner and her attorney represent that compensation to be provided pursuant to this Stipulation is not for any items or services for which the Program is not primarily liable under 42 U.S.C. § 300aa-15(g), to the extent that payment has been made or can reasonably be

expected to be made under any State compensation programs, insurance policies, Federal or State health benefits programs (other than Title XIX of the Social Security Act (42 U.S.C. § 1396 et seq.)), or by entities that provide health services on a pre-paid basis.

11. Payment made pursuant to paragraph 8 of this Stipulation and any amounts awarded pursuant to paragraph 9 of this Stipulation will be made in accordance with 42 U.S.C. § 300aa-15(i), subject to the availability of sufficient statutory funds.

12. The parties and their attorneys further agree and stipulate that, except for any award for attorneys' fees and litigation costs, and past unreimbursed expenses, the money provided pursuant to this Stipulation will be used solely for the benefit of petitioner as contemplated by a strict construction of 42 U.S.C. § 300aa-15(a) and (d), and subject to the conditions of 42 U.S.C. § 300aa-15(g) and (h).

13. In return for the payments described in paragraphs 8 and 9, petitioner, in her individual capacity, and on behalf of her heirs, executors, administrators, successors or assigns, does forever irrevocably and unconditionally release, acquit and discharge the United States and the Secretary of Health and Human Services from any and all actions or causes of action (including agreements, judgments, claims, damages, loss of services, expenses and all demands of whatever kind or nature) that have been brought, could have been brought, or could be timely brought in the Court of Federal Claims, under the National Vaccine Injury Compensation Program, 42 U.S.C. § 300aa-10 et seq., on account of, or in any way growing out of, any and all known or unknown, suspected or unsuspected personal injuries to or death of petitioner resulting from, or alleged to have resulted from, the flu vaccination administered on November 6, 2015, as alleged by petitioner in a petition for vaccine compensation filed on or about November 2, 2018, in the United States Court of Federal Claims as petition No. 18-1700V.

14. If petitioner should die prior to entry of judgment, this agreement shall be voidable upon proper notice to the Court on behalf of either or both of the parties.

15. If the special master fails to issue a decision in complete conformity with the terms of this Stipulation or if the Court of Federal Claims fails to enter judgment in conformity with a decision that is in complete conformity with the terms of this Stipulation, then the parties' settlement and this Stipulation shall be voidable at the sole discretion of either party.

16. This Stipulation expresses a full and complete negotiated settlement of liability and damages claimed under the National Childhood Vaccine Injury Act of 1986, as amended, except as otherwise noted in paragraph 9 above. There is absolutely no agreement on the part of the parties hereto to make any payment or to do any act or thing other than is herein expressly stated and clearly agreed to. The parties further agree and understand that the award described in this Stipulation may reflect a compromise of the parties' respective positions as to liability and/or amount of damages, and further, that a change in the nature of the injury or condition or in the items of compensation sought, is not grounds to modify or revise this agreement.

17. This Stipulation shall not be construed as an admission by the United States or the Secretary of Health and Human Services that the vaccine either caused or significantly aggravated petitioner's alleged injury or any other injury; however, petitioner has satisfied the Table criteria to establish entitlement to compensation for her SIRVA.

18. All rights and obligations of petitioner hereunder shall apply equally to petitioner's heirs, successors, and/or assigns.
