Petitioner.

v.

SECRETARY OF HEALTH  
AND HUMAN SERVICES,

Respondent.

No. 20-847V (ECF)

**STIPULATION**

The parties hereby stipulate to the following matters:

1. Kalee Cambray, petitioner, on behalf of petitioner's minor daughter S.C., filed a petition on for vaccine compensation under the National Vaccine Injury Compensation Program, 42 U.S.C. §§ 300aa-10 *et seq.* (the "Vaccine Program"). The petition seeks compensation for injuries allegedly related to S.C.'s receipt of the Haemophilus influenzae type B ("Hib") vaccine, which vaccine is contained in the Vaccine Injury Table (the "Table"), 42 C.F.R. § 100.3(a).
2. S.C. received Hib vaccines on July 14, 2017, September 13, 2017, and May 8, 2018.
3. The vaccinations were administered within the United States.
4. On March 15, 2021, respondent filed a report pursuant to Rule 4(c) of the United States Court of Federal Claims, Appendix B: Vaccine Rules, conceding that petitioner is entitled to compensation for S.C.'s injuries, namely an induration or abscess on S.C.'s left thigh, two indurations or abscesses on S.C.'s right thigh, and a scar on S.C.'s right thigh. On March 15, 2021, the Special Master issued a Ruling on Entitlement, finding petitioner entitled to compensation.

5. The parties now agree that a decision should be entered awarding the compensation described in paragraph 6 of this Stipulation.

6. As soon as practicable after an entry of judgment reflecting a decision consistent with the terms of this Stipulation, and after petitioner has filed an election to receive compensation pursuant to 42 U.S.C. § 300aa-21(a)(1), the Secretary of Health and Human Services will issue the following vaccine compensation payment:

A lump sum of **\$40,000.00** in the form of a check payable to petitioner as guardian/conservator of S.C.'s estate. This amount represents compensation for all damages that would be available under 42 U.S.C. §300aa-15(a).

7. As soon as practicable after the entry of judgment on entitlement in this case, and after petitioner has filed both a proper and timely election to receive compensation pursuant to 42 U.S.C. § 300aa-21(a)(1), and an application, the parties will submit to further proceedings before the Special Master to award reasonable attorneys' fees and costs incurred in proceeding upon this petition.

8. Petitioner and petitioner's attorney represent that compensation to be provided pursuant to this Stipulation is not for any items or services for which the Program is not primarily liable under 42 U.S.C. § 300aa-15(g), to the extent that payment has been made or can reasonably be expected to be made under any State compensation programs, insurance policies, Federal or State health benefits programs (other than Title XIX of the Social Security Act (42 U.S.C. § 1396 et seq.)), or by entities that provide health services on a pre-paid basis.

9. Payment made pursuant to paragraph 6 of this Stipulation and any amounts awarded pursuant to paragraph 7 of this Stipulation will be made in accordance with 42 U.S.C. § 300aa-15(i), subject to the availability of sufficient statutory funds.

10. The parties and their attorneys further agree and stipulate that, except for any award for attorneys' fees and litigation costs, and past unreimbursable expenses, the money provided pursuant to this Stipulation will be used solely for S.C.'s benefit as contemplated by a strict construction of 42 U.S.C. §§ 300aa-15(a) and (d), and subject to the conditions of 42 U.S.C. §§ 300aa-15(g) and (h).

11. Petitioner represents that petitioner presently is, or within 90 days of the date of judgment will become, duly authorized to serve as guardian/conservator of S.C.'s estate under the laws of the state of Wisconsin. No payments pursuant to this Stipulation shall be made until petitioner provides the Secretary with documentation establishing petitioner's appointment as guardian/conservator of S.C.'s estate. If petitioner is not authorized by a court of competent jurisdiction to serve as guardian/conservator of the estate of S.C. at the time a payment pursuant to this Stipulation is to be made, any such payment shall be paid to the party or parties appointed by a court of competent jurisdiction to serve as guardian/conservator of the estate of S.C. upon submission of written documentation of such appointment to the Secretary.

12. In return for the payments described in paragraphs 6 and 7, petitioner, in petitioner's individual capacity and as legal representative of S.C., on behalf of petitioner, S.C., and S.C.'s heirs, executors, administrators, successors or assigns, does forever irrevocably and unconditionally release, acquit and discharge the United States and the Secretary of Health and Human Services from any and all actions or causes of action (including agreements, judgments, claims, damages, loss of services, expenses and all demands of whatever kind or nature) that have been brought, could have been brought, or could be timely brought in the Court of Federal Claims, under the National Vaccine Injury Compensation Program, 42 U.S.C. § 300aa-10 *et seq.*, on account of, or in any way growing out of, any and all known or unknown, suspected or

unsuspected personal injuries to or death of S.C. resulting from, or alleged to have resulted from, the Hib vaccinations administered on July 14, 2017, September 13, 2017, and May 8, 2018, as alleged by petitioner in a petition for vaccine compensation filed on or about July 13, 2020 in the United States Court of Federal Claims as petition No. 20-847V.

13. If S.C. should die prior to entry of judgment, this agreement shall be voidable upon proper notice to the Court on behalf of either or both of the parties.

14. If the Special Master fails to issue a decision in complete conformity with the terms of this Stipulation or if the Court of Federal Claims fails to enter judgment in conformity with a decision that is in complete conformity with the terms of this Stipulation, then the parties' settlement and this Stipulation shall be voidable at the sole discretion of either party.

15. This Stipulation expresses a full and complete negotiated settlement of liability and damages claimed under the National Childhood Vaccine Injury Act of 1986, as amended, except as otherwise noted in paragraph 7 above. There is absolutely no agreement on the part of the parties hereto to make any payment or to do any act or thing other than is herein expressly stated and clearly agreed to. The parties further agree and understand that the award described in this Stipulation may reflect a compromise of the parties' respective positions as to liability and/or amount of damages, and further, that a change in the nature of the injury or condition or in the items of compensation sought, is not grounds to modify or revise this agreement.

16. This Stipulation shall not be construed as an admission by the United States or the Secretary of Health and Human Service that S.C. suffered an injury contained in the Vaccine Injury Table.

17. All rights and obligations of petitioner hereunder shall apply equally to petitioner and S.C.'s heirs, executors, administrators, successors, and/or assigns as legal representatives of S.C.
