ORDER CONCLUDING PROCEEDINGS¹

On December 4, 2020, James Vaughan filed a petition for compensation under the National Vaccine Injury Compensation Program, 42 U.S.C. §300aa—10 through 34² (the “Vaccine Act”). Petitioner alleges that he suffered a mycobacterial bovis infection in 2019 from twelve cycles of Bacillus Calmette-Guerin (“BCG”) immunotherapy treatments received between February 2012 and October 2013. Petition at 1. On January 13, 2021, an order to show cause issued because BCG immunotherapy treatments are not listed on the Vaccine Injury Table and, thus, are ineligible for compensation. On February 12, 2021, Petitioner filed a notice of voluntary dismissal.

In light of Petitioner’s “notice of dismissal at any time before service of respondent’s report” pursuant to Vaccine Rule 21(a), **this case is dismissed without prejudice.**

IT IS SO ORDERED.
